3 280 EUR

Signature : Atelier a définir, poinçon a identifier

Period : 19th century

Condition : Très bon état

Diameter : 13 cm

Height : 14 cm

Description

A carnelian-style agate goblet, with handles shaped like naturally treated lizards, and twenty-four stones set in a closed setting. Goldsmithing and gemstone work; turned agate, cut with 8 facets on the central reverse side of the bowl; hexagonal base with a circular recessed interior forming a slight dome. European work, circa 1860.
