Paris Porcelain Plate, Restoration Period - View Of The Castle Of Stuttgart

500 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Diameter : 23

Description

A rare decorative hard-paste porcelain plate from Paris, dating to the Restoration period (circa 1820-1830).
The central medallion features an exquisite, entirely hand-painted miniature depicting a lively scene, with the inscription "Vue du Château de Stutgard" (View of the Castle of Stuttgart) in gold lettering. The scene captures the architecture of the castle and its gardens, including a water feature and several figures dressed in period attire.
The rim is richly decorated with a geometric frieze in solid gold against a white background, bordered by delicate gold lines.
Period: Restoration / Charles X (c. 1820-1830)
