Description

Antique clear crystal champagne glass by Baccarat, in the "champenoise" style, with a wide circular rim and a slender stem adorned with longitudinal fluting. The glass features a flared bowl, a fluted stem with hollow ribs, a ring-shaped knob, and a slightly flared circular base.This type of "champenoise" coupe, characteristic of 19th-century French glassware, is distinguished by the elegance of its silhouette and the crystal work that extends the ridges of the hollow stem all the way to the base of the bowl.Good condition; see photos.This antique champagne coupe belongs to the tradition of 19th-century crystal stemware. Champagne-style model, antique champagne coupe, Baccarat crystal, French glassware, collectible champagne glass, antique crystal set, tall-stemmed coupe,
