

Small Baroque House Altar Black And White Marble 17th Century Italy Or France

600 EUR

Period : 17th century

Condition : Bon état

Material : Marble

Description

Small Baroque House Altar Black and White Marble 17th century Probably Italy, France or Belgium, circa 1650 Height: 28.5 cm Width: 25 cm Depth: 8.5 cm Weight: 8.9 kg An interesting small house altar in black and some white marble from the Baroque period, circa 1650. Originally would have contained a small votive bronze or brass sculpture, possibly a Crucifixion. Good quality piece, some small old damages to the edges of the marble but generally in very good condition. Shipping in Europe: EUR 25
