Period : 19th century

Condition : Etat d'usage

Width : 119cm

Height : 245

Description

Large vertical decorative panel (245 cm x 119 cm)depicting a pair of blue-and-yellow macaws (Ara ararauna) perched in the centerof a lavish floral arrangement.This monumental work is part of the great traditionof exotic motifs and "Chinoiserie," which were very much in vogue at the end of the 19thcentury. The left side displays superbartistic mastery with a naturalistic and vibrant rendering of the birds'plumage, contrasting with the delicacy of the hanging flowers. Theright side fades elegantly into a misty, ethereal landscape with soft tones,an asymmetrical composition typical of custom-painted panels designedto blend harmoniously into the wood paneling of a grand living room, abovea fireplace or in an alcove.Gouache on canvas. Ideal for adding
