Elegant Antique Ewer Made Of Ruby-red Bohemian Glass, With Hand-painted Enamel And Gold Deco

1 600 EUR

Period : 19th century

Condition : Parfait état

Material : Crystal

Height : 32 cm

Description

This charming ewer captivates with the depth of its ruby-red glass and the richness of its ornamental design, featuring leafy scrollwork, floral motifs, and delicate gilded decorations.Its generously rounded body features a remarkable figurative design depicting two swans, surrounded by finely crafted plant motifs. The slender neck, the elegantly flared spout, and the curved handle lend the piece a harmonious and refined silhouette.Its original stopper, matching the ewer and adorned with an elegant gilded motif, harmoniously complements this beautiful piece of antique glassware.With its intense color, delicate decoration, and elegant form, this ewer is a distinctive decorative piece, ideal for collectors and enthusiasts of antique glassware.
