Scandinavian Chandelier.

420 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Chromium

Diameter : 65cm

Height : 60cm

Description

Scandinavian chandelier.The wood-grain lacquered metal contrasts beautifully with the opalescent tulip-shaped glass elements.The geometric chrome of the frame creates a perfect harmony.The glassware brings warmth, the chrome brings reflection, and the wood-effect finish brings harmony. The balance between solid and void is executed with great precision.Even the cylindrical dome perfectly completes this rhythm.Electrical system serviced; screw-in light bulb.Delivery available (not included in the price).
