Description

Daum NancyRare Miniature Square Winter Landscape Vase With WindmillsSigned on the base in black enamel "Daum ? Nancy" with the Cross of LorraineCirca 1900-1910A fine and scarce miniature Art Nouveau solifleur vase of square cross-section, made of mottled and layered glass. The continuous, acid-etched and polychrome enamelled landscape depicts a poetic winter scene: Finely detailed bare trees coated in snow, a quaint church steeple in the distance, and the highly desirable addition of Dutch-style windmills along frozen bank.Rendered in soft misty blue, milky white, and grey tones, warmed by amber and golden-yellow horizons. The frosted acid-textured ground gives tangible tactile depth to this cabinet-sized work of art. Excellent condition throughout. A particularly sought-after
