Description

Meticulously designed, this handcrafted pendant lamp features a polygonal structure composed of brass profiles that hold high-quality cut glass panels.The quality of the Italian atelier, Sothis, which crafted it, is evident in the precision of the metal profile assembly and the meticulous execution of every detail.Preserved in excellent condition, this lantern shows only very slight signs of wear consistent with its age and is ready for installation.A second, identical lantern, slightly larger in size, is also available.
