Description

LALIQUE France - Important oval "Oak Leaf" dish in pressed-molded crystal An exceptional and spectacular large oval serving dish from the House of Lalique, "Oak Leaf" model, remarkable for its generous dimensions and the richness of its naturalistic decoration.This magnificent piece of pressed-molded crystal features a sumptuous relief design composed of a profusion of oak leaves, skillfully intertwined in a radiant and particularly sculptural composition.The crystalwork is of the highest quality. The alternation of satin-finished and polished surfaces creates subtle interplays of transparency and light, revealing with great finesse the contours of the leaves and the movement of the foliage. The material seems almost alive, with delicate pearlescent and opalescent reflections that lend

the piece an exceptional presence.The outer border, accented with an elegant gold finish, completes this composition and emphasizes the precious nature of this significant display piece.The House of Lalique, founded by René Lalique in 1888, remains one of the leading names in French glass art. From its founder's earliest creations to the development of the manufactory under the direction of his son Marc after 1945, the house has successfully perpetuated a recognizable aesthetic, based on relief work, the play of light, and naturalistic inspiration.With its remarkable size, substantial weight, and the quality of its decoration, this large platter is a prized piece for collectors of Lalique crystal and fine 20th-century decorative art.Manufacturer: Lalique FranceModel: Oak LeafMaterial: molded-pressed crystal, satin and glossy finishDecoration: oak foliage in reliefDimensions: 62 × 37 cmWeight: 8.2 kgSignature: unsignedCondition: in very fine condition. A few slight scratches on the reverse, due to normal use and not affecting the appearance.A remarkable piece from Lalique, both decorative and sculptural, whose exceptional dimensions and the beauty of the crystal work are sure to appeal to collectors and enthusiasts of the great creations of the famous French crystal manufacturer.
