Pair Of Schneider-signed Bubbled Crystal Candlesticks

300 EUR

Signature : Schneider

Period : 20th century

Condition : Parfait état

Material : Crystal

Length : 16cm

Width : 9cm

Height : 18cm

Description

A pair of bubbled crystal candlesticks, each marked "Schneider Paris France" on the base. These candlesticks are short enough to be used on a table.The material is magnificent; the two arms, which might resemble dolphins, are thick and heavy, brought to life by numerous bubbles that catch the light. These are typical pieces of 1950s and 1960s design, in perfect condition.
