1 800 EUR

Period : 18th century

Condition : Etat d'usage

Material : Wallnut

Width : 123 cm

Height : 89 cm

Depth : 56 cm

Description

A charming arbalete chest of drawers made of light walnut, originally from the French Riviera. Dating from the Louis XV period, it boasts all the best features of that era: beautiful walnut, snail-shaped legs, a well-proportioned front with ornate side panels, a solid top, all its finely chiseled, gilded period bronze fittings, and lovely proportions. There are a few minor chips to note on the front of the drawers.
