Ottoman Navy Dagger From The 1930s

3 250 EUR

Signature : Forgeron fourbisseur a Solingen

Period : 20th century

Condition : Très bon état

Material : Wrought iron

Length : 40 cm environ

Description

A very rare Turkish naval dagger from the interwar period.Unlike the large Turkish daggers from the imperial period, this dagger is extremely rare because it was one of the last German-made daggers produced during the Weimar/Nazi era.Beautiful gold-plated brass fittings.Superb blade etched with the emblems of the Ottoman Navy.
