Description

Pair of "ZIG ZAG" Chairs by designer Gerrit Thomas Rietveld.Original 1970s model, in exceptional condition.Dimensions: Height: 74 cm, Width: 37 cm.The Zig Zag chair was designed by Dutch designer and cabinetmaker Gerrit Thomas Rietveld in 1934. Composed of three wooden slats joined in a Z-shape with a fourth slat for the backrest, this chair--based on a minimalist concept--is characteristic of the minimalist and constructivist "De Stijl" movement. This piece, characterized by a sense of instability, represented an aesthetic revolution in the early 1930s.Please feel free to contact us by phone or in writing.Sale subject to the General Terms and Conditions of Sale
