Description

An elegant 18-karat yellow gold ring, hallmarked with an eagle's head, set with a central oval-shaped, faceted sapphire held in place by prongs. Its deep blue color shimmers with luminous highlights depending on the lighting.A setting of 18 diamonds accentuates the center stone and forms a delicate crown of petals. A second border of calibrated faceted sapphires follows the scalloped contour of the setting, adding depth and harmony to this design.The setting features an openwork basket, the intricate craftsmanship of which is visible from the side and on the reverse. The flared shoulders meet a smooth band, highlighting the setting and its striking presence on the finger.A refined ring, combining the warmth of yellow gold, the brilliance of diamonds, and the depth of
