Description

André Marchand (1907-1997) - The Plate of ApricotsA major French painter and an iconic figure of the École de Paris, André Marchand distinguished himself in portraiture, landscape painting, and still life. His work with object compositions, particularly through his series titled Les Vies silencieuses, demonstrates his mastery of still life. This work naturally finds its place in this collection dedicated to this theme, to which André Marchand devoted particular attention.Oil on canvas Signed lower left Signed and titled on the back. 44x55cm
