Description

Vintage Bronze Horse Table Lamp - Hollywood Regency Style, Circa 1970-1980Elegant vintage table lamp featuring a bronze horse motif, likely dating from the 1970s-1980s, in the Hollywood Regency style.This decorative piece stands out for the finesse of its equine depiction and the harmony between the animal sculpture and its wide rectangular lampshade.The horse is depicted in a walking stance, with one front leg raised and its head slightly tilted.The modeling of the body, the musculature, the mane, and the tail are particularly well-crafted, lending movement and elegance to the piece as a whole.The horse's back is adorned with a saddlecloth richly decorated with floral motifs and finely crafted reliefs. Additional ornaments adorn the animal's flanks.The sculpture features a beautiful finish in
