Description

"Country" sideboard by Vittorio Introini for Saporiti, an example of refined and functional design. Crafted from walnut-veneered wood, this piece features a solid structure and a patina that enhances the wood's natural beauty. Equipped with hinged doors that conceal a spacious storage compartment, it's perfect for optimizing your space. The under-top compartment with a flip-top lid adds an extra layer of practicality, ideal for storing frequently used items. The cabinet is in good condition, retaining its original elegance.MOMOMO0330081
