Description

A table from the "Artona" series designed by Afra and Tobia Scarpa for Maxalto in the 1970s and 1980s. This elegant table features a burl wood top, which lends the design a unique and sophisticated look, while the central leg is embellished with a brass trim, adding a touch of refinement. The table is in good overall condition, with some signs of age that highlight its authenticity and history. A significant example of Italian design from that era, ideal for spaces that favor a retro and sophisticated style.MOTATA0330064
