Description

A superb 18th-century English bench, dated 1721, with authentic charm and a remarkable presence.Crafted from solid oak, this magnificent bench captivates with its rich antique patina, harmonious proportions, and superb backrest featuring molded panels. The beautiful architectural structure of the backrest, combined with the elegantly curved armrests, attests to remarkable artisanal craftsmanship.Particular attention should be paid to the superbly turned legs and armrest supports, executed with great finesse, as well as the carefully crafted crossbars that lend the piece a beautiful elegance.Its magnificent patina, signs of wear, and irregularities attest to its age and lend it all the charm of a piece of character.A superb early 18th-century English bench, both decorative and
