Description

DECORATIVE ARTSNetherlands, 18th or 19th century? (I found several examples with very similar stoppers and engravings, listed as being from late 19th century... Please last photo)Superb bottle with a rectangular octagonal base, made of blown glass and richly and harmoniously engraved with floral and ornamental scrolls, latticework, lines of alternating dots and finer lines on the beveled sides,...The band around the neck and the stopper--whose intricately crafted ring-shaped grip--are made of solid silver, but there are no hallmarks...For a liqueur or... a perfume?!Dimensions:base 9.8 × 6.3 cm and * 19.2 cm in height
