Description

Relax chair by Adriano PiazzesiThis relaxation armchair ingeniously treats the seat cushion and backrest as independent architectural volumes, structurally connected by the outer chrome frame.Both parts are upholstered in dark brown fabric.It beautifully highlights the iconic Italian Space Age aesthetic by combining the visual warmth of soft, rounded curves with the austere, industrial look of polished metal.With the chrome tubular frame extending across the entire width of the front, base, and backrest, the armchair features a meticulous finish on all sides and is designed to be displayed prominently in an open interior.The armchair measures 70 cm wide, 82 cm deep, and 65 cm high; the seat height is 30 cm.The frame measures 62 cm wide, 82 cm deep, and 49 cm high.Italian "space-age" design.
