950 EUR

Signature : Poul Hundevad

Period : 20th century

Condition : Très bon état

Description

Danish Rolling Side TableModel PH 23/2, designed by Poul Hundevad in 1961.This Rio rosewood table features a sliding top that allows it to be combined with the removable lower shelf, thereby doubling the surface area of the upper level.The table bears its original label, which reads: MADE IN DENMARK - POUL HUNDEVAD, VAMDRUPIt also bears two quality control marks:Domus Danica: a collective mark associated with the promotion and export of Danish furniture.Danish Furnituremakers' Control: a quality control label for the Danish furniture industry. This second mark is particularly noteworthy. It certifies that the piece was manufactured under the Danish furniture quality control system.Length: 75 cm.Depth: 44 to 51 cm, depending on the measurement
