Rare Alihor Skin Diver Chronograph, 1965 -

690 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

Diameter : 38mm

Description

Alihor brand diving chronograph watch, circa 1965.Swiss mechanical movement based on the Valjoux 7733, hand-wound.Power reserve of approximately 42 hours.38mm diameter steel case (excluding the crown), 41mm including the crown, 47mm from lug to lug, in excellent condition.Thickness: 15mm including the crystal.Screw-down case back.Rare dial with highly original luminous hour markers in very fine condition, completely original and with no missing parts.Luminous bronze-colored steel hands matching the hour markers, in very good condition.Movement recently cleaned. Keeps perfect time, in very good working condition.I do not have a photo of the movement because I do not have the tool needed to open the watch without scratching it.Bidirectional rotating bezel
