Stained-glass Window Featuring A Pine Tree And A Bird

1 800 EUR

Period : 20th century

Condition : Bon état

Material : Glass

Length : 52 cm

Height : 188 cm

Description

This stained-glass window presents a pine tree, flowers, insects, and a bird, rendered in a rather naive style. It is painted in grisaille and colored enamels on slightly yellow transparent glass. While some of the colors have faded over time, the piece as a whole is exceptionally delicate.
