Stained-glass Window Featuring A Tree With Yellow Flowers And A Turtle

1 800 EUR

Period : 20th century

Condition : Bon état

Material : Glass

Length : 52 cm

Height : 188 cm

Description

This stained-glass window features a magnificent tree with yellow flowers--perhaps a California frémontia--with butterflies fluttering around it; at its base, a turtle walks, sheltered by large orange flowers and foxgloves.Painted in grisaille and colored enamels on slightly yellow transparent glass. The entire piece is delicately painted in a naïve style.Some of the colors have faded over time.
