Description

Refined and unique sculpture in white statuary marble,exquisitely carved. The piece depicts an allegory of Victory in the form of ayoung woman with an expression that is both gentle and proud. Her hair isstyled up, with large ringlets falling along her neck, and she wears aclassical-style gown adorned with laurel leaves and geometric and floralmotifs. Particularly refined is the necklace with a harp-shaped pendant, whichthe figure wears around her neck, a detail skillfully incised into the marbleof her bust. This is a work of great taste and sophistication, capable ofadding a touch of class and antiquity to any setting. Of Italian origin, thesculpture is attributable to a follower of the sculptor Pietro Olivieri anddates to the early 19th century.Dimensions: H x W x D 58 x 43 x 20cm
