Description

Oil on canvas. Signed lower left.The painting is accompanied by a certificate of authenticity based on a photograph provided by the artist's daughter; it is cataloged in the Attilio Alfieri Archive under number 1140.It is also listed in the General Catalog Raisonné of the Artist's Works (edited by Luigi Sansone, published by Mazzotta), where it appears on page 256.Attilio Alfieri's painting alternates between figurative and landscape depictions from life and art applied to advertising, which reflects the influence of Rauschenberg and Pop Art. Later, especially after World War II, he devoted himself to Informal Art--often with a strong emphasis on texture--which he used to depict traditional still lifes.The work is presented in a frame.ARARNO0330008
