Description

Stunning sycamore wood bowl, circa 1800A beautiful, hand-turned bowl made from a single piece of wood, featuring a superb patina and dating from the late 18th/early 19thThis type of bol was crafted from freshly cut sycamore, rather than dried and hardened wood. This wood was particularly prized for its natural qualities; it was reputed not to alter the taste of food and to possess antibacterial properties.Ideal as a catchhalls , fruit bowl, or decorative bowl England or Wales, circa 1800Shipping available in Belgium, France, and internationally.On display in our showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium.More information & photos available upon request
