Description

An elegant antique basket-style chandelier made of cut crystal and bronze, featuring a refined silhouette and a particularly luminous design.It is adorned with numerous pendants and clear crystal elements, arranged in cascades, forming a beautiful, flared two-tiered structure. The bronze frame, finely crafted with decorative motifs, harmoniously accentuates the overall design.The abundance of crystals and the details of the frame lend this light fixture great charm and elegance.A decorative piece with character, ideal for enhancing a classic, Haussmann-style, or eclectic interior.Dimensions:Height: 71 cmDiameter: 32 cm
