Pair Of Large Ceramic Jugs/vases Decorated In The Pre-columbian Style

230 EUR

Period : 20th century

Condition : Très bon état

Material : Ceramic

Diameter : 25cm

Height : 43cm

Description

A pair of large decorative ceramic vases or jugs, inspired by pre-Columbian and Andean art. Each piece is distinguished by remarkable craftsmanship, featuring a handle topped with a carved feline head (puma or jaguar) and a side spout. The oval-shaped body of these ceramics is adorned with rich geometric patterns, friezes, and traditional symbols in warm hues. Resting on a flared pedestal, this set features a beautiful antique patina with slight signs of natural wear that highlight its authentic character. Ideal for adding an ethnic, bohemian, and original touch to your interior decor.
