Description

Large vintage lamp in a classic style, made of cut crystal and gilded brass. A very impressive size--the lamp alone stands 50 cm tall--giving this beautiful piece a striking presence. In excellent overall condition with no scratches or chips, and in very good working order. Beautiful light diffused by the crystal's details and reflections, as well as the fine gold plating on the metal parts. The lampshade is unique, with a few slight signs of wear that in no way detract from the beauty of the piece as a whole. A centerpiece for a beautiful interior. Shipping available to France and worldwide via secure, insured package with order tracking. Invoice and certificate included. Pickup is available at the Mas d'Avallrich in Montéscot 66200 (Tel: 0033 611142533), where our store has been located for over 35 years.
