3 300 EUR

Signature : Chanel

Period : 20th century

Condition : Très bon état

Material : Other

Description

This beautiful Chanel ceramic watch, featuring diamonds set into the dial, has a diameter of 29mm and is powered by a quartz movement. It was purchased new in 2022 from a Chanel boutique and has had only one owner. Having been worn very little, it is in perfect condition.It comes with the original Chanel boutique receipt, box, and card. Please feel free to contact me for further information or additional photos.Hand-delivery is possible in the Paris region;national and international shipping are also available.
