Description

An elegant octagonal work box made of black and gold lacquered wood, a splendid example of mid-19th-century Chinese export art.The exterior is entirely hand-painted in pure gold with detailed courtly scenes of dignitaries on the lid, framed by dense floral and geometric motifs. The piece rests on four original, finely carved and gilded wooden claw-shaped feet.The interior is exceptionally well-organized and includes:a removable upper tray divided into compartments with lacquered lids and knobs, and a concealed front drawer with a large, decorated interior compartment.In good overall condition, consistent with its age and use.Condition as shown in the photos.I'm also on Instagram "Mercantedarteroma"
