Haviland Limoges Collectible Plate - Based On A Design By édouard Dammouse

140 EUR

Period : 20th century

Condition : Bon état

Material : Porcelain

Description

Large Limoges porcelain collector's plate by the Haviland factory, with a diameter of 26 cm. This piece is a faithful reproduction of an original design by Édouard Dammouse, an iconic 19th-century French painter and ceramic artist. The design features Japanese-inspired motifs. The manufacturer's mark and the historical inscription from the Haviland Museum appear on the reverse.
