Length : 277 cm

Width : 157 cm

Height : 80 cm

Description

An important and fascinating large library or conference table, crafted from oak between the late 19th century and the early decades of the 20th century, characterized by generous dimensions, harmonious proportions, and excellent craftsmanship.The table features a large rectangular oak top, enhanced by a refined perimeter frame and the wood's beautiful natural grain.The panel beneath the tabletop houses eight practical drawers.A piece of furniture of remarkable craftsmanship, in which the sturdiness of the construction is complemented by the elegance of its lines and the beauty of the oak.Thanks to its substantial size, it lends itself perfectly to use as a library table, a large professional study desk, or a prestigious conference table, while also fitting seamlessly
