Description

- Oil on canvas. Original canvas.- Perhaps meditating on the iniquity of the ages and the transience of empires, this old stone lion devotes his eternal stillness to watching over the silent waters of the Moorish basin; from his vantage point woven of fears and silences, carved beneath the cypress trees of a garden that defies time, he contemplates, impassive, the blaze of twilight upon the centuries-old facade, weaving in the twilight of his alabaster memory a secret and magnificent vengeance against oblivion.- Dimensions of the artwork without frame: 56 x 38 cm / 65 x 49 cm with an exclusive, custom-made frame.
