Description

- Oil on canvas. Original canvas.- As the dying sun of Valencia pours down upon the turbulent, mirror-like expanse of the Albufera, the sunset works a marvel of optical alchemy that reveals to the painter the secrets of a palette forbidden to the vain human retina. In this feverish twilight, where the muddy water and the mists of the marsh become a mirror of scattered embers, shades of aged gold, damp sulfur, and wounded carmine blend to reveal to the artist the very essence of the ineffable, consecrating the canvas to the sumptuous and indomitable melancholy of a world fading away.- Dimensions of the artwork without frame: 73 x 60 cm / 82 x 70 cm with an exclusive, custom-made frame.
