Wrought-iron Gimbal-mounted Cellar Lamp - Winemaker's Candlestick, Cellar Candlestick - 19th Cen

210 EUR

Period : 19th century

Condition : Très bon état

Material : Wrought iron

Description

An interesting 19th-century wrought-iron cellar lamp, designed to illuminate cellars and wine cellars.This winemaker's candlestick features an ingenious gimbal system that keeps the candle upright thanks to its articulated cup.It can be mounted on a wooden stand using its curved upper rod, or used as a handheld candlestick. A small locking tab secures the mechanism in place.A beautiful handcrafted piece of wrought iron, featuring a dark brown antique patina and signs of wear.An interesting example of folk art and historic winemaking accessories. For any inquiries, please feel free to contact us by phone, text message, or WhatsApp.Additional photos and videos are available upon request.Careful packaging and secure shipping within France and internationally.We usually respond within 48
