Mid-19th-century Russian Candlestick. H: 35 Cm

450 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Height : 35cm

Description

A superb example of Russian decorative applied art from the mid-19th century. This candlestick is made of cast bronze, with entirely hand-carved work. The original gilding is remarkably well preserved. The candlestick embodies a zoomorphic style with three griffins and ram heads. A typical Russian ornament completes the composition.
