Description

A Barocchetto-style sideboard made of walnut, dating from the early 20th century in Italy. The undulating front design lends elegance to the piece, which features four drawers in the section below the top and four doors beneath them that offer ample storage space. The side posts are embellished with refined floral and foliage carvings, while the curved legs complete the piece's sinuous silhouette. This sideboard is a fine example of the craftsmanship of its era, ideal for spaces that call for a touch of classic elegance and sophistication.Product condition:Due to its age and wear, this piece requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the
