Description

A transparent blown-glass chandelier made in Murano in the 20th century, featuring six lights elegantly supported by sinuous, "S"-shaped arms. The glasswork, typical of the Murano tradition, lends the piece a timeless refinement, perfect for illuminating both modern and classic spaces with understated elegance. The soft lines and transparent design make this chandelier a highly versatile piece, suitable for a variety of interior design schemes. The well-balanced structure ensures even light distribution, creating a warm and sophisticated atmosphere. 6 E27 sockets.Product condition:This lamp, due to its age and wear, may require restoration and likely has an electrical system that does not comply with current regulations. We strive to present the lamp's actual condition as fully as possible
