Gilded Metal Hot-air Balloon Chandelier, Italy, Early 20th Century

680 EUR

Period : 20th century

Condition : Prévoir restauration

Material : Glass

Diameter : 38

Height : 98

Description

A hot-air balloon-style chandelier made in Italy in the early 20th century, featuring a gilded iron and metal frame. The design stands out for its elaborate leaf-motif and ribbon-style ornamentation, highlighting the masterful craftsmanship of the era. The chandelier features four central lights that provide diffused, enveloping illumination, enhanced by clear glass pendants and chains that elegantly reflect the light. A highly charming decorative piece, perfect for spaces that call for a touch of class and history. It features 3 E14 light bulbs.Product condition:Due to its age and wear, this lamp may require restoration and likely has an electrical system that does not comply with current regulations. We strive to present the lamp's actual condition as fully as possible through the photos.
