Description

A neoclassical nightstand made of various types of wood, transformed into a charming bar cabinet. Featuring a flip-top upper shelf that reveals a compartment for glasses, this piece combines functionality and style. The central door, accessible only when the top is open, provides additional storage space. The truncated pyramid-shaped legs provide stability and a touch of classic elegance. Made in Italy in the 20th century, it is an example of craftsmanship that blends tradition and versatility, perfect for those seeking a distinctive piece of furniture with a historical flair.Product condition:Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the
