Description

A superb and rare 16th-century primitive oak chest from WalesA very beautiful chest still showing early Gothic influences, known as a "6-plank chest" because the chestis made from a single piece ofsingle piece of oakBeautiful decoration on the front and antique wrought-iron nails that enhance its primitive characterWe've decided to leave the chest as-is with its minor imperfections, as we believe they give it a lot of character. Collector's itemSmall, uncommon sizeIn good condition with a beautiful natural patinaDelivery available in Belgium, France, and internationally.On display in our 2,500-square-meter showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium.More information and photos available upon request.
