Description

Porcelain tableware and coffee set -
Old-fashioned rose design - 20th century A charming and substantial set of white porcelain tableware, decorated with bouquets of roses in shades of pink and purple, accompanied by green foliage and delicate gold accents.This set stands out for the elegance of its slightly fluted shapes, its scalloped edges, and the delicacy of its romantically inspired floral decoration.It includes, in particular:A covered coffee pot.A lidded sugar bowl.Four coffee cups with saucers.A set of dinner plates.A set of soup bowls.Small plates and saucers.Several serving dishes, including a large round platter, an oval platter, and two large salad bowls. (approximately forty pieces in total)The set displays a beautiful decorative harmony and makes an ideal service
