Description

UFO Desk Lamp, Aluminor, France, 1970s, Space Age DesignOriginal French design desk lamp, UFO model, attributed to Aluminor production from the 1970s.Featuring a distinctive circular flying saucer-shaped shade, the lamp has a satin-finished metal structure, a round base and an adjustable arm with a pivoting joint allowing the angle of the lamp to be adjusted.Its clean, futuristic lines are characteristic of the Space Age style, particularly popular in European furniture and lighting design during the 1960s and 1970s.An interesting example of vintage lighting, suitable for both contemporary interiors and twentieth-century design settings.Good overall condition, with normal signs of age and use.Period: 1970s.Origin: France.Attribution: Aluminor.Dimensions: height 55 cm; shade
