Description

Large Four-Door, Four-Drawer Sideboard - Louis XV Style - 20th Century A very beautiful and imposing four-door, four-drawer sideboard in the Louis XV style, dating from the 20th century.This high-quality piece stands out for its generous proportions, its elegant, ornate front, and the richness of its carved decoration.It features four doors with scalloped panels, embellished with magnificent figured wood in warm tones. The frames are adorned with finely carved shells, flowers, and foliage.The upper section features four drawers running the full length of the piece, fitted with drooping metal handles featuring openwork decoration.The front stiles are carved with floral motifs, notably an elegant flowering stem at the center of the piece.The lower rail, with its beautifully curved design, features a
