Description

A set of four vintage chairs dating back to the 1970s, featuring a sturdy brass frame that gives them an elegant and durable look. Each chair features foam padding that has been recently reupholstered to ensure maximum comfort. The fabric upholstery, which has also been completely reupholstered, features a shade of green that pairs perfectly with the shine of the brass, making them ideal for spaces that call for a touch of retro style. These chairs fit easily into both modern and more classic settings, offering versatility and practicality.MOSESE0323647
