Description

The Louis-Philippe Bookcase, crafted from solid cherry wood with warm, amber hues that reveal a grain of great finesse. Crowned with a rounded cornice featuring soft, harmonious lines, it features two large glass-paned doors covering two-thirds of the front, which perfectly showcase your finest books and works of art while ensuring their protection. The lower section features solid panels carefully molded, while the structure rests on a sturdy yet refined base, ensuring a understated, warm, and decidedly high-end presence at the heart of your home.********Period: Second half of the 19th centuryExcellent condition following restoration in our workshop.Additional photos are available by clicking on the following link: https://www.antiquites-lecomte.com/boutique/bib
